Between locally sourced ingredients and unexpected flavor combinations, bread's never had it this good. *By Joshua M. Bernstein*

Roasted cauliflower at [Num Pang Sandwich Shop](#)

This Cambodian eatery's vegetarian sammie could woo a hardened carnivore. Shredded carrot and cucumber, along with aromatic cilantro, brighten chunks of roasted cauliflower. Pureed eggplant and chili-spiked soy mayo swiped on the toasted roll provide heat. 21 E 12th St between Fifth Ave and University Pl (212-255-3271, [numpangnyc.com](#)). \$6.75.
